

1528CW/SQ

FSK Vapor Seal Squares

Kiss-cut squares, 3 x 3/sq. in. (2.5cm x 2.5 cm), on release liner. 30% more contact area than disks. Same U.L. listed material as No. 1525, with diagonally reinforced Foil/Scrim/Kraft lamination to match perfectly. 500 per unit.

Cold weather adhesive formula.

Primary Use: Provides vapor seal over washers and pins used in mounting insulation; seals small punctures and tears. Neater, saves labor of hand cutting.
